

HEADMASTER'S NOTES

The 1st XV started their campaign this week, with a crunching encounter against Priory School. It was a close affair, with some excellent tackling from both sides and, in truth, the teams were very evenly matched. Willington ran out victors 47-5 as a result of their teamwork. Joshua Paulson had a sensational game, scoring 4 tries. David Saran's tenacious support was excellent (1 try scored), along with the blistering pace of Eric Sarfo, who scored two break away tries. Jack Hammond was also on fine form with his conversions.

As you know, our Choristers sing to a very high standard and Mr. Wray has held some open auditions for boys in Years 3-5. He was very impressed with the quality of singing, which is certainly a strength at Willington. Congratulations to the

following boys, who have been selected from the auditions to be probationers for this term.

Freddie Barnes/Finn Kearns/Peter Kunitsyn/Monty Peltenburg (Year 3)

Amani Bates/Patrick Brown/Daniel Burke/Luca Capezzuoli/Joshua Hunt (Year 4)

Chad Barnes (Year 5)

All of Year 2 thoroughly enjoyed every minute of their trip to the Science Museum this week. Mrs. Stephenson reports that the space rockets were amazing, but, best of all, was the launch pad, where the boys could test out forces and electricity and push lots of buttons! Reception have been very busy this

week making moon rock cakes, in readiness to take some much needed sustenance with them on their forthcoming mission to the moon!

Over the next two terms, the members of the Aero Modelling Club, with the help of Mr. Fry, will be assembling the frames of small aeroplanes with a wingspan in excess of 60cm from strips and sheets of balsa wood. After covering the frames with special tissue paper and painting the paper with cellulose dope, the rubber powered models will be ready to fly.

Miss Davies took the Orchestra to a prep schools' Play Day at St. John's, Leatherhead. She said the boys were a great credit to Willington and performed extremely well throughout the rehearsals and the concert itself in the evening.

I am looking forward to joining Mr. Tattersall and Mr. Currie on the Year 8 Geography Field Trip to the Isle of Wight next Wednesday to Friday. Let's hope for some good weather!

Best wishes,
Paul Cheetham
