This completed form should be signed by both parents/guardian and accompanied by a registration fee of £100. Cheques should be made payable to Willington School. This fee will only be returned to you if we are unable to offer your son a conditional place and you then advise us that you do not wish your son to be put on the waiting list.

**Fee Increase** We acknowledge that it is the school's general policy to review fees each year, effective in the Autumn Term.

**Deposit** We agree to the following: On acceptance of the school's offer of a place for our son, a deposit of £1,250 is payable. Securing the place will be dependent on the first term's fees being paid on the initial day of the term preceding the term in which our son is due to start at Willington. Thereafter, the fees will be payable before or on the first day of each term. This deposit will form part of the general funds of the School. The deposit will only be repaid (less any outstanding expenses or charges) at the end of our son's final term at Willington. If we subsequently decide not to take up the offer of the firm place at the time of the fees invoice being issued, the deposit will not be refunded. The deposit and the first term's fees are not refundable if we ultimately decide not to take up the place for our son at Willington.

**Fees in Lieu of Notice** If we withdraw our son from the School before his Common Entrance/Scholarship term without giving a term's notice in writing, we will be liable to pay one term's fees in lieu of notice.
